

FREE Interactive Educational Series

Wednesday, September 28th from 6:00-7:30pm
One Hampton Road, Exeter, NH 03833

Concussions in Youth Sports

Former Boston University and MIT Team Physician
Kevin D. Heaton, DO

Ankle Injuries: Treatment and Prevention

Former Boston Celtics Assistant Team Physician
A. David Davis, MD

Athletic Trainer and Strength and Conditioning Coach
Mike Thompson, BS, ATC, CKT, CFT

Why it is so important that we properly identify and manage concussion in youth athletes?

Common sports related ankle injuries and how do we treat them? Why do they happen and how can we condition our bodies to prevent them?

Please RSVP for this FREE event as space is limited.
